

Kimbo Fund

What is Kimbo Fund

BFAAM is an emerging Angolan active fixed income and alternative credit investment manager, with US\$500 million in AUM across public and private markets.

Investment Strategy

Provide debt financing to SMEs, primarily in downstream agribusinesses involved in Extra and Intra African Trade and under the AGOA act.

Impact Strategy

The initiative will provide medium-term capital, value-adding expert advice, and continuous guidance to ensure the increased capacity for the grossly underserved SMEs, through its Technical Assistance Facility.

Kimbo is the concept that gives rise to this Venture Capital Fund that seeks to invest in the growth of future generations, by deploying capital to young entrepreneurs (SMEs predominantly led by women and young people with atypical needs) and help them achieve their financial goals.

The business areas that the Kimbo Fund seeks to invest in are Agribusiness, Financial Services, Health and Wellbeing, Mobility and Creative Industry.

The objective is to promote and develop the Angolan Private Capital and Venture Capital Ecosystem.

“

We invest in the growth of future generations, by deploying capital to young entrepreneurs and help them achieve their financial goals.
